There are several Stipendiary Vacancies of Eight Rupees per Mensem each, tenable for five years. No Candidate can be admitted under the full age of 16, or above that of 20 years, on any account whatever.

Every applicant for admission must bring a letter of recommendation from some respectable person, certifying that he is of good character, and worthy of admission to the privilege of studying Medicine.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon, the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, where their Letters are *usually delivered*, some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,
Post Master General.

Calcutta, Genl. Post Office,
The 17th December, 1845.

NOTA BENE.—In the event of the Inward Overland Mail at any time arriving at this Office late in the evening, a large Signal Lanthern, exhibiting a Coloured Light, will be hoisted instead of the Ball.

NOTICE.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

SIMLA, 23D APRIL, 1846.

Inconvenience having been experienced from the delay consequent on the manner in which Hutting Allowance for detached Companies of Native Foot Artillery is drawn, under the provisions of General Orders by the Governor General in Council, No. 261 B, dated 15th August 1845; the Right Hon'ble the Governor General is pleased to direct, that when a detached Company of Native Foot Artillery may be moved from one Station to another, far from the Head Quarters of the Battalion, the Bill for Hutting Allowance for the established strength of the Company, shall be transmitted direct to the Deputy Paymaster of the Division, by the Officer Commanding, or in charge of the Company, and his signature thereto shall be sufficient, without the countersignature of the Officer Commanding the Battalion to which such detached Company belongs.

The same principle applies to the signature of the Certificate referred to in paragraph 4th of the above General Orders.

On receipt of the Hutting Allowance, the Officer Commanding, or in charge of, the detached Company, will be guided in his disbursements, and in the disposal of any surplus money, by the rules prescribed for Officers Commanding Regiments.

J. STUART, *Lt.-Col.*,

Secy. to the Govt. of India, Mily. Dept.,
with the Govr. General.

SIMLA, 25TH APRIL, 1846.

The Commander in Chief has placed before the Right Hon'ble the Governor General, certain papers connected with an investigation into an attempt made by some persons at Patna, professing to be emissaries of Native Princes, to tamper with the fidelity to the British Government of the Native Regiments at Dinapore, and in the vicinity of that Station.

The proceedings of the parties implicated have been mainly brought to light by the judicious course pursued by Major F. Rowcroft, Commanding the 1st Regiment of Native Infantry, and the praiseworthy conduct of Subadar Sewa Tewary and Jemadar Motie Misser, of that Corps. These excellent Native Officers immediately communicated to their Commanding Officer the endeavours that had been made to seduce them from their allegiance; and under the direction of Major Rowcroft, they have completely succeeded in producing abundant evidence to insure the conviction and punishment of the guilty.

Such conduct is worthy of, and does honor to, the high character for fidelity which the Soldiers of the Native Army of Bengal have established for themselves, and it is not less creditable to them than the gallantry they have displayed in the field of Battle.

In proof of the estimation in which the services of Subadar Sewa Tewary and Jemadar Motie Misser are held, the Right Hon'ble the Governor General, on the recommendation of His Excellency the Commander in Chief, is pleased to promote the former to the rank of Subadar Major, and the latter to that of Subadar. They are to be borne as Supernumeraries, in these grades, on the Returns of the 1st Regiment, whose ancient fame they have so creditably upheld.

The foregoing Order is to be read and explained at the head of every Native Regiment, Troop, and Company of the Army.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon, the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, where their Letters are *usually delivered*, some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,
Post Master General.

Calcutta, Genl. Post Office,
The 17th December, 1845.

NOTA BENE.—In the event of the Inward Overland Mail at any time arriving at this Office late in the evening, a large Signal Lanthern, exhibiting a Coloured Light, will be hoisted instead of the Ball.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

NOTICE.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon, the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, where their Letters are *usually delivered*, some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,
Post Master General.

Calcutta, Genl. Post Office, The 17th December, 1845.

NOTA BENE.—In the event of the Inward Overland Mail at any time arriving at this Office late in the evening, a large Signal Lanthern, exhibiting a Coloured Light, will be hoisted instead of the Ball.

2d.—The Opium to be offered for Sale at an Upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3d.—If at the above Sale the entire quantity of 3,000 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot, or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Friday, the 22d of May 1846, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expence whatsoever attending such Re-sale, shall be borne and paid by Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 22d May 1846, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 22d May, will be afterwards accepted.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

Post Master General.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, -- 4 pie.

The substitut[illegible] English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

Post Master General.
